Homecoming Edition

"East, West

Graduation from high school signifies the end of an era for most students. Nearly all leave the town where they've studied and worked, laughed and cried, loved and hated.

But, no matter how far we roam, no matter what life we lead after graduation, still the best place in the world is home, the place where memories hold sway.

What kind of memories make a place home? The excitement of a ballgame . . . the anguish of doing poorly on a

test . . . the thrill of receiving the senior ring . . . the confidence generated by the support of friends . . . In short, home is where the heart is and the heart thrives on sentimental memories.

Once every three years, sentiment rises to the foreground as Homecoming activities get underway. Ex-students who have moved away, married, and succeeded in their careers return to the campus-home to remember the days when they were students. This year Homecoming was celebrated October 8.

Even though the students of 1965-'66 were not returning home, Homecoming generated excitement for them, too. Part of the fun came from planning activities for the returning alumni.

On the Tuesday before Homecoming the annual staff cut "Homecoming '65" in the grass on the front lawn of the campus to set activities into full swing.

Boosting the spirit to an even higher peak, the bonfire provided an opportunity for the student body and faculty to display their support for the Tigers in the coming conflict with Lamesa.

Lamesa's cheerleaders, football team, and foreign exchange student were impersonated by students and guests at the pep rally Friday. Grant Teaff, head coach at McMurry College and a 1951 graduate of SHS, addressed the student body and other returning exes.

Immediately following the activities in the gym, a tea was held in the cafeteria sponsored by the Student Council in honor of the exes.

As the Bengals burst through the paper skin of the hoop to begin the Homecoming game against Lamesa's Golden Tornados, a mighty roar of approval from students and exes reverberated in Tiger Stadium.

With the two teams evenly matched, the Tigers played a spirited game, only to lose 7-0 through a third quarter Lamesa tally.

As the siren sounded at half time and the teams vacated the field, anticipation surged upward as the crowd awaited the announcement of the 1965 Homecoming Queen.

After a series of precision drills the Black and Gold Band formed a crown for the queen nominees.

Stepping from their convertibles, the six Homecoming Queen candidates and their escorts entered the crown formed by the band for the long awaited coronation ceremonies.

Nominees from the Sophomore Class were Becky Jones,

escorted by Tommy Bullard, and Debbie McCants, escorted by Royce Starnes. Junior nominees were Donna Davis, escorted by Sandy Welborn, and Sammie Raines, escorted by Jimmy Nix. Representing the Senior Class were Empress McFarland, escorted by Jimmy Hogan, and Kay Pitner, escorted by Powers Boothe.

Entering the formation, Jana and Jay Wesson, children of Mr. and Mrs. James Wesson, carried the bouquet of roses and the crown which were to be presented to the 1965 Homecoming Queen by Dr. Robert Clinton, superintendent of schools. Excitement reached its climax, when Kay was crowned queen.

After the game activities included dances for exes and students.

Scattered Activities Herald Beginning of Summer's End

After an all-too-brief vacation, late summer activities heralded school days again.

In August Martine Strubbe came from Belgium as the seventh exchange student, and friendships were revived as students gathered for class pictures.

Accompanied by last-minute schedule changes, studies began in the waning days of summer.

A record 702 students enrolled as integration went into effect.

Wearing class rings, seniors really felt like seniors as they posed for a group picture.

Although most were concerned with current activities, 1964-'65 was recalled at the annual distribution and as the Class of '65 presented patio furniture to the school.

During Pep Rallies

Students, Faculty Boost Spirit for Football

Students and faculty support the football team each Friday morning during the gridiron season.

Supporters yell with the cheerleaders, clap to the rhythm of the music while twirlers perform, and listen to speeches by coaches, captains, and guests.

Entertainment to provoke laughs from the bleachers include reserve cheerleaders consisting of women faculty members, folk singers with songs about the team, an interview with the opposing coach, and football players exchanging positions with the cheerleaders.

As the words of the alma mater fill the gym, each smiling face becomes solemn--and another pep rally comes to a close.

Boxes, boxes, everywhere
And not a fire to burn.

After students spent weeks gathering boxes, the traditional Sweetwater bonfire was canceled because of a conflict with the county fair and rescheduled for the Homecoming game against Lamesa.

Spirit rose to its highest plateau as the captains held torches to the pile of refuse. As the bonfire burned brightly, supporters moved back from the waves of intense heat to join the cheerleaders in yells and to hear coaches, captains, and senior players speak.

SENIOR PLAYERS Bobby Beard, Roy Kizer, Steve McMahan, Ken Neeper, Whitt Boren, David Holt, and Ronnie White express their feelings about the game.

Following several plays Susan Ivison broke for the Black's first touchdown. Susan Boren shocked the fans with a 95-yard kickoff return for a Gold touchdown and Diane Phariss scored two extra points.

Both the Black and the Gold made second touchdowns, leaving the score 14-12 in favor of the Gold.

David Holt, Roy Kizer, and Donnie Newman coached the Gold.

The Coaches for the Black were Keith Noble, Fred Wiman, and Jackie Rice.

Jackets, Banquet Remind Athletes In January of Gridiron Competition

Although football season ended in mid-November, reminders of the games appeared in January with the arrival of jackets and with the annual football banquet.

Black and gold decorations carried out the football theme. The banquet was sponsored by the football boys' mothers.

The Rev. Miller Robinson, minister of Colonial Hill Baptist Church, was master of ceremonies.

"Our jackets are in!" This statement passed among the entire football team in December but turned out to be merely a joke. The word spread and the team was eagerly anticipating the jackets which received a warm welcome when they finally arrived in January.

Varied Assemblies Entertain Students

Halls and classes are empty; where did everyone go? Oh, it's Wednesday, assembly day.

Programs ranged from a corny western by the annual staff to the serious induction of National Honor Society members.

Perhaps one of the most memorable assemblies was when J. M. Kayser announced to the student body his resignation as vice-principal.

Students viewed a well rounded program this year including a memory expert, Operation Teen-Ager, the Windjamers, and speeches by students concerning the summer science and math program, Boy's State, clubs, the foreign exchange program, and Student Council campaign.

Twenty-nine students participated in "Auntie Mame", a two-act comedy about sophisticated society people. The drama was sponsored by the Junior and Senior Classes.

Nan Martin occupied the lead role as Auntie Mame. Powers Boothe served as student director.

The play tells of a wealthy young woman and her life with her orphaned nephew, a southern gentleman, a Scottish writer, a stock broker, and a famous actress, among many other society-minded people.

As April made its entrance and the school year neared its close, the seniors' activities came to a climax with the senior assembly, distribution of caps and gowns, graduation announcements, senior day, and the awards assembly.

A hullabaloo theme was used for the senior assembly. Some of the stars included the go-go dancers, the Little Old Ladies from Pasadena, and the Christi Minstrels.

Senior Day activities began with a breakfast followed by bowling and tennis. A hamburger lunch was served in the barn preceding games in the park. Fever Rages During Year

"Take me out to the ballgame,
Take me out to the park . . .

And so in the spring the refrain begins as the national pastime, baseball, takes its place on the sports scene. But long before then, all the way back to the previous August, the athletic fever began to mount. Until summer the temperature remains constant, then abates until the following September to resume the cycle.

"Buy me some peanuts and crackerjack,
I don't care if we never come back . . .

The sports mania escalates from mid-August football workouts to full-fledged fanaticism by late autumn. Cheerleaders in whirling skirts excitedly lead frenetic fans in yells which echo through the stadium on into the heated gymnasium during basketball season. Enthusiasm keeps

the benchside players warm though the weather outside may be at the freezing mark.

From there the spectators move to the sun-drenched stands to see the thinclads furiously churn their legs to set new records and to see the diamondmen whack fly balls to the outfield.

Although perhaps not avidly supported by the student body, golf, tennis, and volleyball push the mercury of the athletic fever higher.

"Let me root, root, root for the home team,
If they don't win it's a shame...

But Snyder teams have a habit of winning or at least placing in competition. The football team won second; tracksters won first; tennis, golf, and volleyball teams won third.

Tigers Rebuild Squad Around One Starter

Having only 11 returning lettermen and only one returning starter, David Holt, the Tigers' began to rebuild their squad when mid-August rolled around.

After two weeks of two-a-day workouts, the Tigers tested their ability in a scrimmage with Odessa Ector. Playing all players, the Tigers won the scrimmage two touchdowns to one.

Surprising everyone the next week, the Tigers racked up seven touchdowns to the Midland Bulldogs' sole tally for their second pre-season victory.

These raised Snyder's hopes for their season just around the corner.

Line coach V. V. Shearburn from Kansas State University has coached eleven years in Snyder. Of these the last five have been as line coach for the varsity squad.

Besides being football coach, he is also an assistant track coach.

For the past three of 15 years of coaching, Coach James Stehley has been backfield coach for the varsity. A Kansas State graduate, Coach Stehley is also head track coach.

Five Cheerleaders Lead Athletic Teams

VARSITY CHEERLEADERS are Kris Stevenson, Kay Pitner, Sandy Marcum, Sammie Raines, and Susan Boren.

Three seniors and two juniors led the entire student body in backing the athletic teams of '65-'66.

Elected in the spring of '65, the cheerleaders assumed a great responsibility in keeping spirit at a high level.

Kay Pitner, who received the plurality of votes, served as head cheerleader for the second year. Susan Boren and Kris Stevenson were re-elected for a second year. Juniors Sandy Marcum and Sammie Raines served as varsity cheerleaders for the first time.

After attending the cheerleading clinic in June headed by Barry Harrel, University of Texas cheerleader, the five began work on posters and locker stickers to boost the school spirit.

Working diligently through the football seasons, the cheerleaders mold the Tiger spirit and display good sportsmanship to the student body and to visiting teams.

Snyder Places Five on All District Team

DISPLAYING their new jackets are captains Ray Kizer, Jackie Rice, Danny Howell, and David Holt.

Three linemen and a back were elected varsity football captains by the squad by a secret ballot.

Danny Howell, David Holt, Ray Kizer, and Jackie Rice received the captains' slots. Howell, Holt, and Kizer played guard, tackle and end, respectively, while Rice was the only back to be elected a captain.

Five Snyder players placed on the first all district team and two on honorable mention following their second place finish in the district.

Holt earned a berth on the first team offense and defense. Kizer joined Holt on the first team offense. First team defensive spots went to Howell, Steve McMahan, and Terrell Austin along with Holt.

Rice and Fred Wiman received honorable mention for the Tigers.

Daily Workouts Begin in August

Beginning in hot, dry August and carrying through brisk, chilly November, the football workouts proceeded daily.

All over the state in 3A districts the third week of August sees the beginning of schoolboy football. Engaging in two-a-day workouts for two weeks, the Snyder Tigers polished their skills and tactics.

Conditioning for the upcoming season is the primary objective of these workouts; however, the learning of new methods is also stressed.

After the two grinding weeks the Tigers found themselves better prepared for their two scrimmages, four non-district encounters, and finally their all-important district games.

Ponies Trip Tigers In Gridiron Debut

In the Tigers' 1965 football debut they fell 23-12 to the highly ranked Andrews Mustangs.

Though the score didn't show the closeness of the contest, statistics were as even as possible. The Tigers scored on a one-yard sneak by Murry Bowden and an 11-yard run by Jackie Rice.

Captains for the game were Rice and David Holt.

Excessive Fumbles Cause Tiger Loss

Fumbles and the Stamford Bulldogs dealt the Tigers a 14-9 defeat at Stamford.

Snyder learned that a team can't lose 7 out of 10 fumbles and expect to win even though the Tigers did dominate the statistics. The Tigers scored a safety and a touchdown for their nine points.

Although the Tigers began several drives throughout the game, fumbles ended scoring hopes for the Bengals. The Bulldogs held the ball the last five minutes to insure their victory and the Tigers second loss.

Steers' Strength Dominates Clash

Finding it difficult to rebound after two defeats, the Tigers suffered their third loss at the hands of the highly-ranked Big Spring Steers, 34-7.

The Steers were too strong for the inexperienced Tigers and erased the upset-minded Bengals hopes of victory. However, Snyder did muster the first touchdown to be scored on Big Spring with an 11 yard pass from David Cadena to Bobby Clardy.

Captains for the game were Fred Wiman and Terrell Austin.

Ill-Luck Continues To Plague Tigers

Once again the Tigers experienced a defeat, this time at the hands of the Kermit Yellowjackets 14-0.

The Tigers played hot and cold football and thus were beaten by the Kermit ball club. Several times through-out the game the Bengals looked as if they were going to shrug the "bad luck" which they had experienced up to that point; however they never could push over the needed two touchdowns to win.

Captains for the game were Keith Noble and Freddie Johnston.

Tigers, Mustangs Fight to 0-0 Deadlock

AIDED by a key block, Jackie Rice (41) turns up field for a seven yard gain.

Making their debut in district, the Tigers fought the heavily favored Sweetwater Mustangs to a 0-0 deadlock.

Showing a stout defense, the Tigers contained the Mustangs, in spite of costly offensive mistakes which often gave the opposition the ball deep in Tiger territory. Each time the scrappy Tiger defense rose to the occasion and held the Mustangs.

After having the ball deep in their own territory all through the first half, the Tigers began to move in the second half. The Bengals managed to drive to the Mustangs' two yard line, but the Ponies held.

Captains for the game were Danny Howell and Murry Bowden.

Homecoming Game Spoiled by Lamesa

Seeking their first season and district victory before a homecoming crowd, the Tigers fought vigorously to no avail, as the Lamesa Tornadoes turned them 7-0 from the victory column.

Completely dominating the game both offensively and defensively, the Tigers threatened to pull it out any time. However, several costly offensive mistakes set up a Tornado score and prevented two Tiger touchdowns.

Curtis Clay, junior fullback, displayed his skill and ran over, under, around, and through the Tornadoes. He was the man in the Tigers' longest drive of the game, which ended with a fumble on the one-yard line.

Lamesa scored their winning touchdown in the third quarter on a 35-yard pass. Other than that play the Tiger defense, headed by David Holt, Danny Howell, and Billy Wilson, stopped all Lamesa drives before they really had time to get started.

Captains for the homecoming tilt were Jackie Rice, Holt, and Ken Neeper.

AS CURTIS CLAY (33) picks up valuable yardage, Steve McMahan (80) and Ray Kizer (83) lead the way.

Victory Over Lobos Breaks Winless Streak

COMBINING their efforts to bring down a Levelland ball carrier, Joe Breeden, Vernon Clay (32), Steve McMahan (80), and David Holt (70) surround their man.

After six unsuccessful starts the Tigers captured their first victory 13-12 over the Levelland Lobos.

Staging a brilliant come-from-behind effort, the Tigers kept their district championship hopes alive. Down by a 12-0 score with only seven minutes to go, Ray Kizer rushed through on a bad punt snapback and recovered the ball in the end-zone for a tally. After the extra points were good the Tigers were still behind 12-7.

With only 40 seconds left in the game quarterback Murry Bowden tossed a screen pass to Jackie Rice who rambled 35 yards for the winning touchdown.

Throughout the contest fullback Curtis Clay blasted through the Levelland defense for another outstanding offensive performance. Fred Wiman turned in his finest defensive game of the season.

Captains for the game were Steve McMahan and Rob Golden.

Exceptional Offense Cuts Cubs 47-21

Displaying the finest offense of the entire year, the Tigers showed no mercy in defeating the hapless Brownfield Cubs 47-21.

Vernon Clay started the fireworks with an 85-yard scoring run which was followed minutes later by Jackie Rice's 96-yard score. Curtis Clay scored twice later in the contest. Rob Golden, David Holt, and Ray Kizer rounded out the Bengals' scoring spree.

Ironically the Bengals were behind 22-19 at half time; however, after the half the Tigers overpowered the Cubs with four second-half touchdowns for their second district victory.

The Tigers ran up a higher score in this one game than in all combined scores of previous games. Also the Tigers rushed for 368 yards which was their greatest amount.

DAVID HOLT (70) provides a good block as Fred Wiman (23) is downed. Joe Breeden (73), Keith Noble (63) and Murry Bowden (10) watch the action.

Bengals Defeat Littlefield Cats For Third District 3-AAA Victory

Still remaining in the district race, the Tigers played complete ball control in defeating the Littlefield Wildcats 16-15 for their third consecutive win.

After a scoreless first quarter the Tigers capped a yard drive in the second quarter on a sneak by quarterback Murry Bowden. On a fake extra point kick halfback Jackie Rice scored the two extra points to give the Tigers an 8-0 half time lead.

Starting strong again the Tigers scored on a 76-yard gallop by Rice, however, the play was nullified by a penalty. Forced to punt the Tigers lost two points on a high snap going out of the end zone. After receiving the safety kickoff the Wildcats scored three plays later to lead 9-8.

However, the Tigers scored again after a 54-yard drive to regain the lead. Though Littlefield scored again their extra points failed and thus the Tigers earned their third victory.

Captains for the game were Billy Wilson and Curtis Clay.

Tigers Edge Chiefs for 4-1-1 Finish

Squeezing by the Lake View Chiefs 15-13, the Tigers maintained a 4-1-1 district record to finish second.

On the first play from scrimmage Rob Golden and.Billy Wilson covered a fumble on the Chiefs' 35-yard line. The drive ended with Jackie Rice carrying over from one yard out. Rice passed to Ray Kizer for the extra points for an 8-0 lead.

In the second quarter the Chiefs ran 76 yards for a touchdown and added the extra point. The Bengals scored their second touchdown on a 63-yard drive sparked by Rice and Curtis Clay. The extra points gave the Tigers a 15-7 lead.

The Chiefs scored the final touchdown in the fourth quarter.

Captains for the game were Kizer, Rice, David Holt, and Danny Howell.

In a successful season the B-team gained valuable experience which will prepare them for their varsity debuts next year.

Coaches Roy Carter and Bill Hartsfield guided the team to a 6-2-1 record, with their only losses being to 4A teams.

In the opening game the Kittens routed Sweetwater 52-16. In the next game the spirited Kittens battled Big Spring to a 18-12 victory.

Although the Kittens dominated the game with San Angelo, they lost the contest 8-6. However, the next week they bounced back to a 33-6 victory over Sweetwater. Plagued by a multitude of injuries, the Kittens fell to Midland Lee 27-7 for their final loss.

Rebounding from the Midland Lee game, the Kittens won their last three games over Stamford 36-0, Lamesa 13-12, and Midland High 19-6.

Cagers Begin Play With 3 Lettermen

Entering the season without a returning starter and only three lettermen, the Tiger cagers' hopes for a district title appeared slim.

Coach Ned Underwood began the season with only one probable starter. Bill Blum, 5' 10" senior, was the only cager who coach Underwood felt could start before the season opened. However Tommy Bullard, Ronnie Laster, and Langston Powell, all with no varsity experience and Tom Duke, a letletman, composed the starting line-up by the first game against Andrews.

Bobby Clardy, Eldon Woodward, Sandy Wellborn, Veron Clay, and M. C. Powell rounded out the team. Each of these boys sought their first varsity letters. Later in the season Mickey Almond was moved to the varsity from the B-team.

Coach Underwood has been coaching the cagers for the past four years. He attended Snyder High School where he played basketball. Upon graduating from high school he attended Texas Tech where he played basketball for the Red Raiders. He coached at Lamar prior to becoming head basketball coach.

Tigers Hold 5-6 Record Before District

Opening the season against the Andrews Mustangs, who later went to State Playoffs, the Tigers lost by only two points in a thrilling game.

A week later they captured the Consolation Trophy at the Seminole Tournament. At the Brownwood Tournament the Tigers lost to Lake View in the Championship game, but they took home the second place trophy.

By the time district play rolled around, the Tigers had a 5-6 won-lost record, two trophies, and more confidence than at the beginning of the season.

In the district opener the Tigers were to take on the district favorites, Lamesa, on New Year's Eve.

THE CAPTAINS meet before the start of the game.

Year Concludes On Losing Note In Lamesa Tilt

Opening district play in Tiger gym on New Year's Eve, the Tigers fell far short of the Lamesa Tornadoes and lost the opener 30-65.

The well-rounded Lamesa quintet played an extremely sound zone defense which limited the Tigers' scoring to an average of seven and one half points per quarter. Meanwhile the Lamesa offense was running and gunning for 65 points.

Sophomore Tommy Bullard led the Tigers with eight points.

In the second round of district play the Tigers fell again by a score of 82-52. Bullard once again led the Bengal scoring with ten points. Bobby Clardy and Ronnie Laster followed with nine points apiece.

DURING THE final quarter, Ronnie Laster hauls in a rebound against Lamesa while Bobby Clardy (52) observes the action.

Height Overpowers

Cagers Drop Two Games to Chiefs

Playing one of their better games of the season, the Tigers fought the Lake View Chiefs down to the lasting seconds but ended up three points short in losing 63-66.

The Tigers led the first quarter 14-13, but they went in at half time tied up 30-30. In the third quarter the cagers fell eight points behind. Then in the fourth quarter the Tigers couldn't quite gain the needed points for victory and fell victim to their second district foe. Tommy Bullard led scorers with 21 points.

In the second game in Tiger Gym against the Chiefs, Coach Ned Underwood's Tigers could not overcome the great height advantage and lost to the Chiefs 62-87.

Snyder stayed close to the Chiefs the first quarter trailing only three points 14-17, but in the second the Chiefs doubled the Tigers scoring that quarter and steadily drew away from the Tigers in scoring. Bill Blum led the scoring attack for the Tigers with 17 points and Eldon Woodward followed with nine.

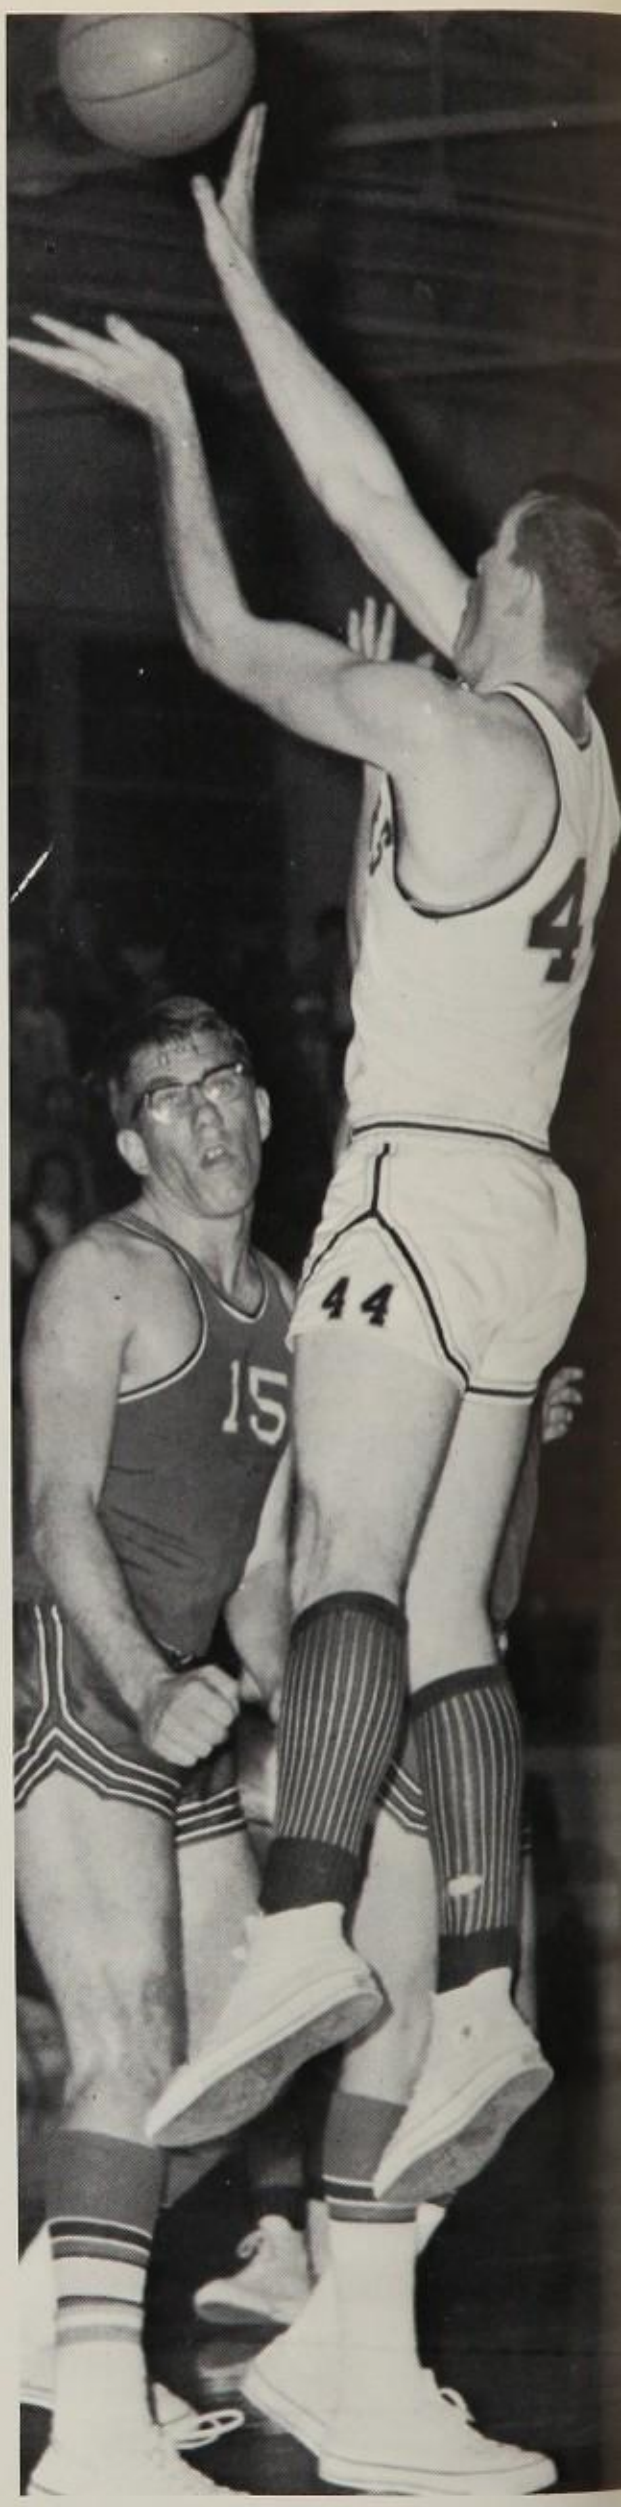
Lobo Experience Overwhelms Tigers in Two Court Clashes

Once again the Tigers looked impressive early in the ball game against the Levelland Lobos, but the Lobo experience overcame the Snyder cagers and they lost 43-55.

The Tigers led throughout the early stages of the game. Although the Lobos led 27-25 at half time the Tigers had never fallen behind until that point. In the second half the district champions, aided greatly by 6'5" Clay Kruger, out rebounded the smaller Tigers to take the victory. Tommy Bullard put in 16 points to take the scoring honors for the Tigers.

Despite a great surge of points in the final quarter by the cagers they lost their second game to the Lobos 58-74.

Levelland, hitting a torrid percentage of shots from the floor on their home court, never relinguished their lead throughout the game. The Lobos jumped to a 24-12 lead in the first quarter then played cool the remaining three quarters. Blum and Bullard hit the nets for 18- and 15 points respectively. Langston Powell also had 12 points. Ronnie Laster grabbed seven rebounds to lead in that department.



ELDON WOODWARD (44) gets off a jump shot over a Levelland player.

Laster Guides Tigers to Wildcat Victory

Ronnie Laster poured in 22 points to lead the Tigers to their first district victory over the Littlefield Wildcats 74-65.

The Tigers started with 23 points in the first quarter, the most that they had ever scored in a quarter, to take a 23-16 lead. At half time the Tigers led 35-40, then coasted in for the win. Four Tigers hit in double figures; Laster has 22 points, Tommy Bullard had 13 points, Bill Blum hit 12 points, and M. C. Powell rounded out with 10 points. Laster led in rebounds with nine.

In the second game in Tiger Gym the Wildcats squeaked by the Bengals 71-72, in a game which brought every spectator to his feet in the closing minutes.

Although the Tigers stayed behind during most of the game, with three minutes in the third quarter they evened the score. From that point on the difference never became over three points either way. In the final seconds Littlefield scored and the Tigers got off only a desperation shot which failed. Blum led the scoring with 22 points.

Cubs Sink Tigers In Two Matches

Although the Tigers defeated Brownfield in the Seminole Tournament before district play began, the Bengals could not overcome the Cubs in Tiger Gym and lost 50-70.

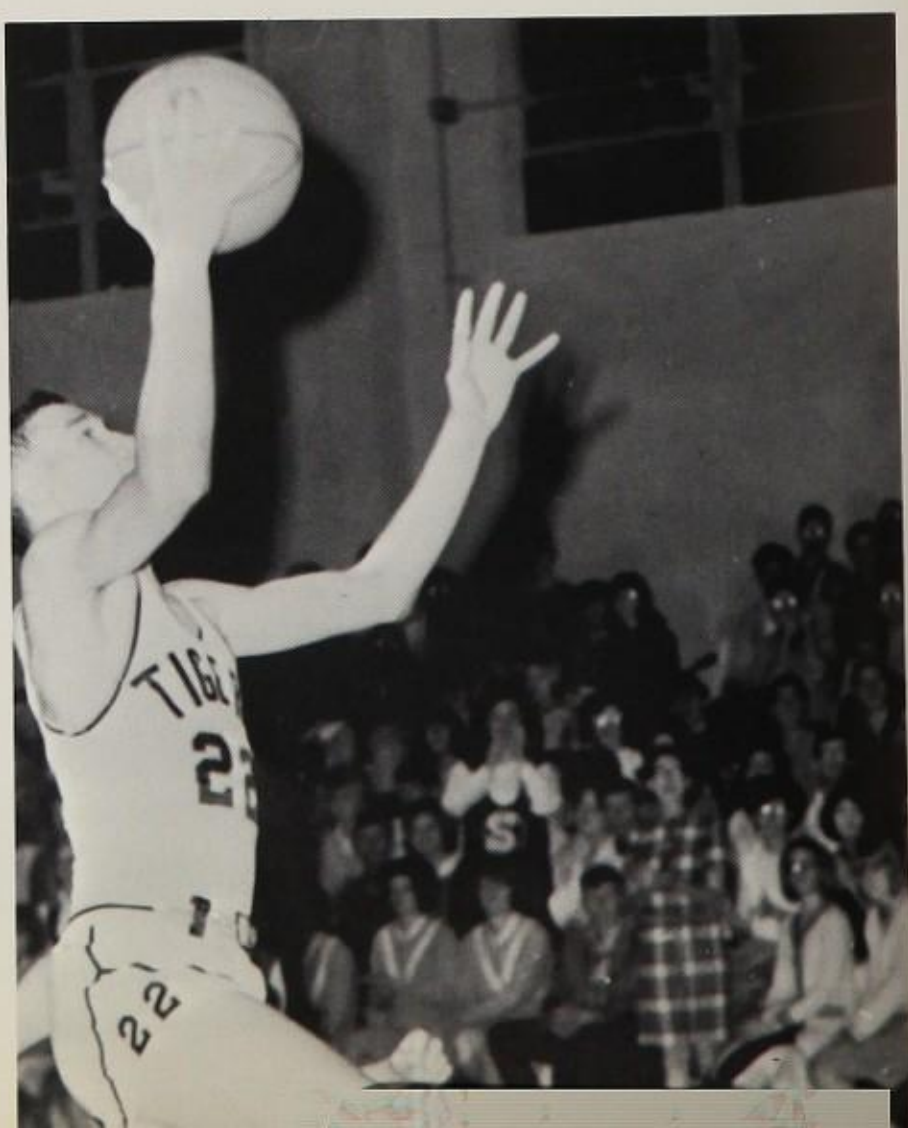
Brownfield's Buzzy Timmons sank 30 points and grabbed too many rebounds in leading his teammates past the Tigers. The Tigers trailed 10 points at half time, 23 points at the close of the fourth quarter, then ended up 20 points short.

Tommy Bullard scored 11 points to lead the Bengal's scoring. Ronnie Laster followed with nine.

At Brownfield in the second district clash between the two teams, the Cubs again downed the Tigers, this time 64-74.

The Tigers led at the end of the first quarter 18-17, but saw the lead cut and finally lost it by half time. Timmons, scoring 26 points, again was Brownfield's big gun. Bill Blum scored 14 points for the Tigers. Eldon Woodward and Tom Duke put in 12 points each for the Bengals.

MICKEY ALMOND (22) goes in for an easy lay-up against the Cubs.



BILL BLUM (12) and Tommy Bullard (10) race down court to prevent a fast break.

Mustangs' Long Shots Overpower Tigers

In Sweetwater gym the Tigers lost 60-73 to the torrid-shooting Mustangs in the first district clash between the two teams.

Led by Randall Caussey, who had 31 points for the night, the Mustangs hit such a high percentage of long shots that the Tigers could not stay in contention. The Tigers fell behind 28-41 at half time; then the two teams played even the second half.

Tommy Bullard led the Tigers' scoring with 17 points while Langston Powell followed with 13 points.

Although the Tigers led the entire game, they dropped two points behind in the closing seconds and lost their final game of the season to the Mustangs 43-45.

Tom Duke paced the Tigers' scoring with 16 points. The Tigers ended the season with a 1-11 record in district and a 6-17 season record.

Bullard, a 5'7" sophomore, led the Tigers in scoring this year with a 309 total. Blum was closely behind Bullard with 247 points.

Bullard and Pat Fees of Lamesa were the only sophomores on the District 3-AAA team. Eight other district standouts rounded out the first team.

The all district choices are made by the coaches of the district teams. No coach may vote on one of his own players.

Hartsfield Guides B-Team to 10-2 Record

Coach Bill Hartsfield guided his B-team to a successful 10-2 record in district this year.

Coach Hartsfield served his fourth year as B-team basketball coach. He is a graduate of Howard Payne College in Brownwood. Before coming to Snyder High School, Coach Hartsfield was a teacher and coach at Travis Junior High.

Presently Coach Hartsfield is back-field coach of the football B-team as well as B-team basketball coach.

Suffering only two district defeats, the Bengal B-team waltzed through a successful season. Nine sophomores composed the team, which tied with Lamesa for first place in the B-team district race. Their only defeats in district were dealt by Lamesa and Levelland.

Mrs. Wesson Coaches Volleyball Teams

Coaching her second year, Mrs. Janet Wesson guided her two teams to a successful year.

Unlike past years, this year's district championship was not determined by the team winning the most district games, but by the team winning the district tournament at Lamesa March 25.

Although there was not a B-team district tournament, several B-team players were moved up to the varsity. Sweetwater eliminated the Tigerettes from the tournament in three close games. Lamesa took the district honors.

The varsity closed their season with a 5-7 record while the B-team finished with a 7-2 record.

Also girls' physical education teacher, Mrs. Wesson earned a BS degree from Abilene Christian College.

CALLING time-out with the varsity squad in the Colorado City game, MRS. JANET WESSON goes over the team's errors. Mrs. Wesson has a BS degree from Abilene Christian College.

The Bengals Scored their upset victory by outscoring favored Carver of Amarillo, 119 3/8 points to 114 3/4.

Although Steve McMahan was the only Bengal who managed a first place, the Tigers had several lads who picked up second through sixth place finishes. McMahan gained his first place by clearing 6 feet 1 inch in the high jump.

The relay teams turned out to be pleasant surprises in garnering a second place finish in the 440-yard relay and a third in the mile relay where the points were really valuable.

In 35 Groups

Students Work, Play, Learn in Clubs

It takes many kinds of students to make up a school. And these students study together, build sets together, show their prize animals together, work on art projects together, and with these and many other projects have fun together. These activities fulfill the purpose of organizations in Snyder High School.

There are approximately 35 clubs and every member of the student body is a member of one club or another.

School activities are not limited to a five day a week eight hour day school. Almost any night some group is in the building working on a project.

Organizations are fun and time consuming.

An up-to-date news coverage, wide sports review, personal features, and departmental features are written and printed in the six page paper.

Staff members are assigned stories, arrange interviews, gather information, and type their stories in the correct form which they are taught in journalism class.

Dr. Clinton Completes Thirteenth Year

DURING a meeting of the faculties of the ten Snyder schools, Dr. Robert Clinton, superintendent, explains the new Board Policy Book.

Determination and hard work have been characteristic of Dr. Robert Clinton throughout his career in the Snyder school system.

He began teaching in 1953 as choir director and succeeded in making the choir one of the outstanding groups in the state.

Dr. Clinton was promoted to the office of principal in 1961, obtained his doctor's degree in 1962, and began serving as superintendent of the schools in 1964.

As superintendent Dr. Clinton's achievements include conducting the complete revision of school board policies and regulations, improving the physical education program, and gaining membership in the Southern Association of Colleges and Schools for grades one through twelve. His most important current project is the improvement of curriculum in the school system.

LOOKING through new choir music, Dr. Clinton recalls his years as choral director.

DR. CLINTON and Mr. Brock discuss the schedule for the 1966-67 school year.

HAROLD BENNETT and Buster Anderson show Dr. Clinton the budget estimates for the 1965-66 school year.

In Polls

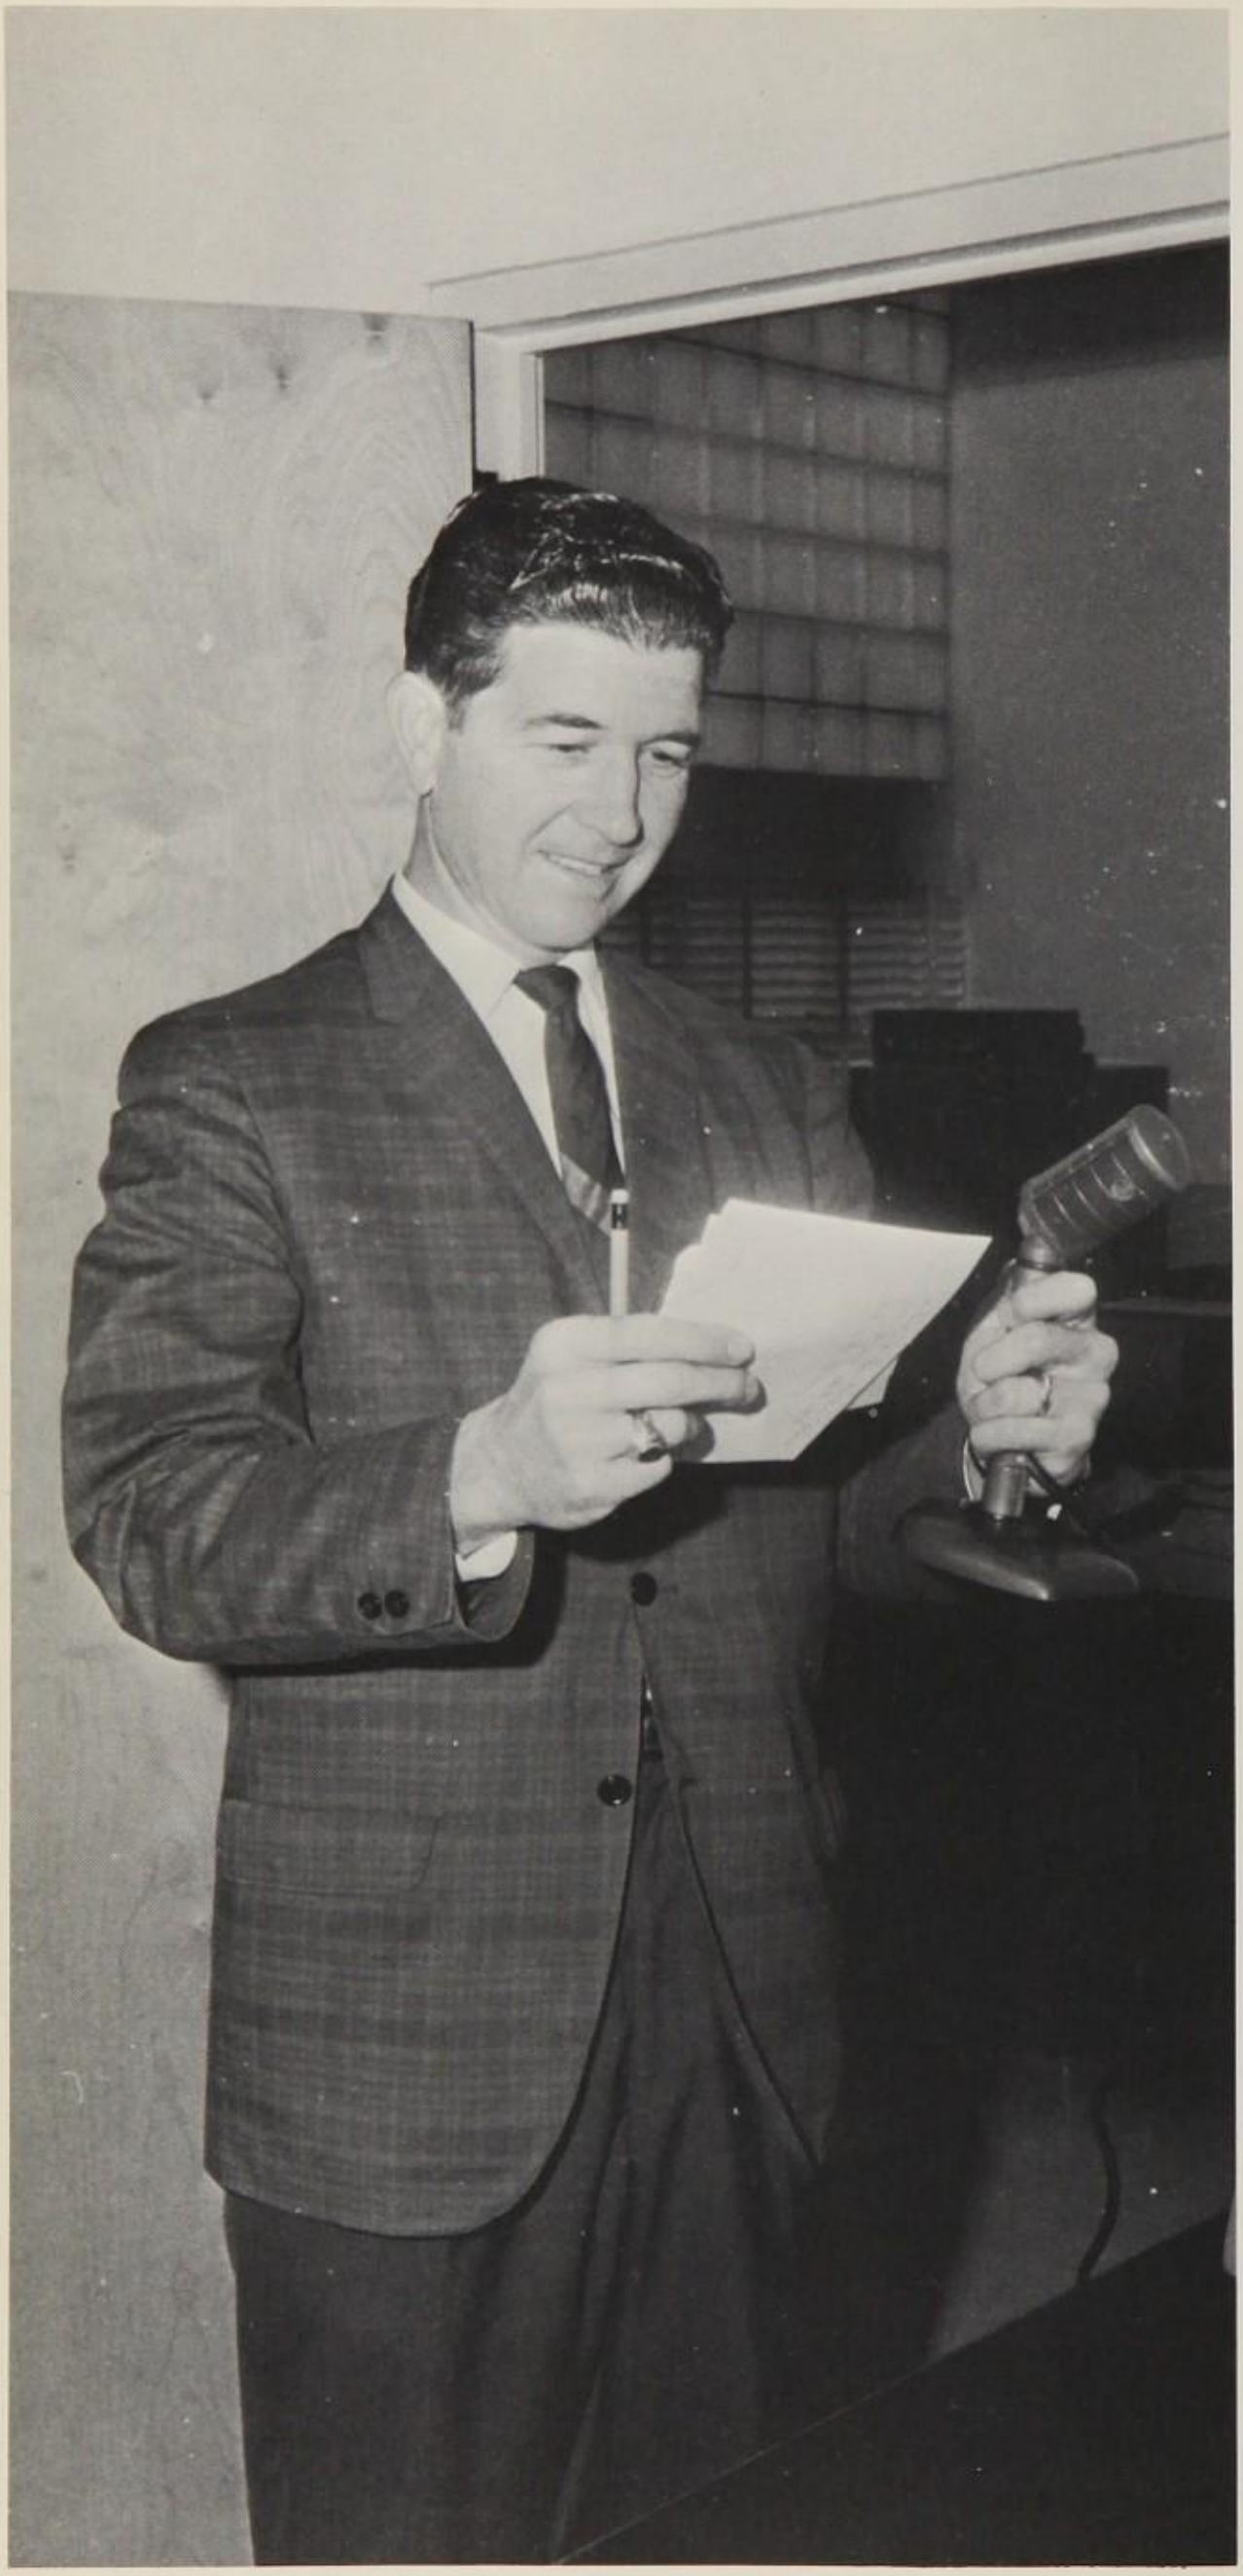
Mr. Brock Asks Students' Help

In his effort to solve the problems which have been recognized in the past two years, Principal Ben Brock asked the aid of the student body.

Polls were taken to obtain the opinions of the students concerning such suggestions as meeting in the gym after lunch and establishing a student center. However, no permanent arrangements were announced during the 1965-'66 year.

Through Mr. Brock's encouragement, English students were grouped according to their scholastic ratings.

Mr. Brock hopes to add new courses including French, German, and psychology.



BEN BROCK, principal, reads "a thought for the day" to conclude the morning announcements.

BEN BROCK and J. M. KAYSER discuss the sale of tickets to out-of-town ballgames.

Bostick Succeeds Kayser in January As Vice-Principal

Horrace Bostick, assuming the vice-principalship at mid-term, succeeds J. M. Kayser in the position.

Mr. Kayser, who has served the school as a teacher, coach, and vice-principal in the past, now holds the position of teacher coordinator.

Mr. Bostick, former head coach and athletic director, enters his new office with three chief goals in mind. He hopes to gain the co-operation of students in a new way, to decrease the high amount of absenteeism, and to keep the facilities of the school in excellent condition.

J. M. KAYSER and Horrace Bostick each served as vice-principal for a semester during the 1965-66 school year.

PAT FALLS, assistant-superintendent, looks through his files to find material on curriculum revisions.

In Four Areas

English Builds Communication Skills

Studying English helps a student to develop his reading, writing, speaking, and listening habits. English is needed and used in every subject.

The sophomore year emphasizes the student's individual needs. There is stress on the skills and grammatical principles which will enable the student to express himself and communicate more readily. The novel Silas Marner is read during the year.

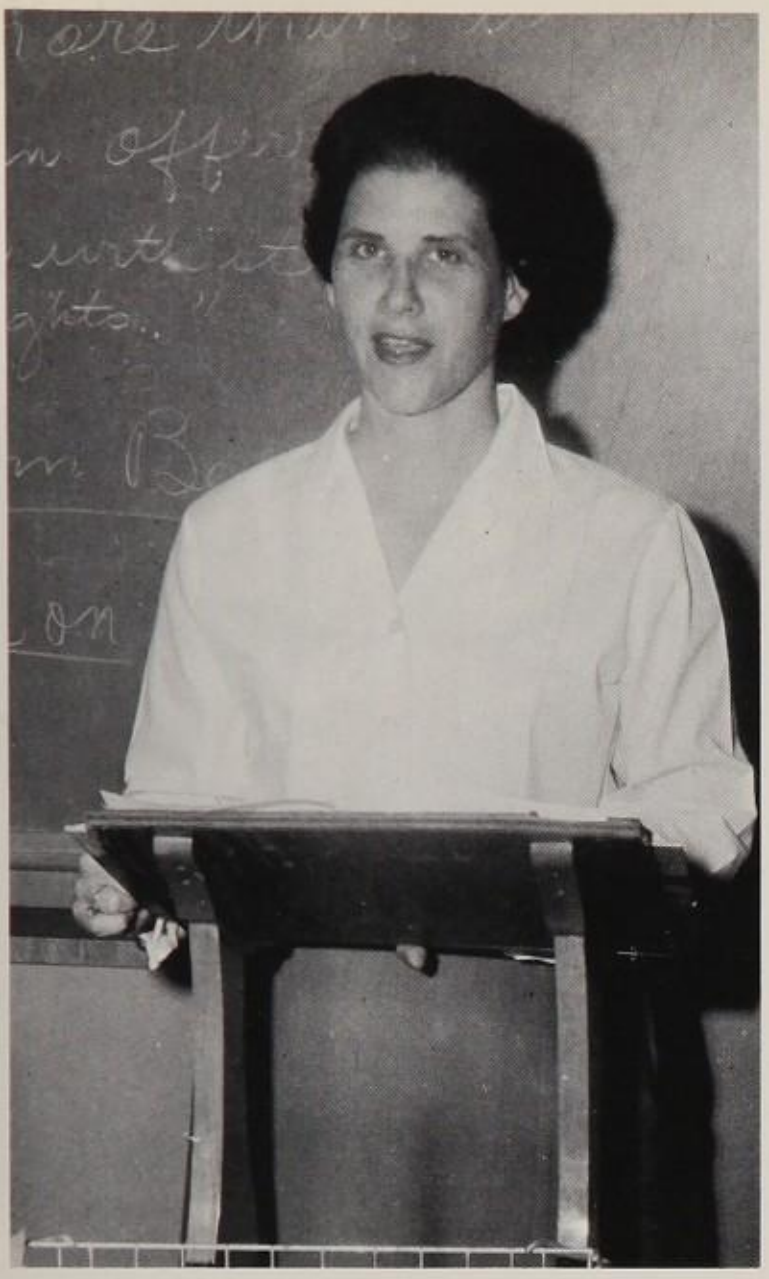
In junior English American literature from colonial days to modern time is studied with emphasis placed on major authors and their works. Juniors also study further in composition, grammar, vocabulary, and spelling.

One of the most important projects studied by senior English students is a research theme. Further study of the foundation of the English language and literature from medieval times until present time is emphasized.

TEST PAPERS are filed by MRS. HAZEL HANBACK, senior English teacher. She holds a MEd from Texas Tech.

DURING HER conference period, MRS. MARY FAVER, sophomore Ehglish teacher, grades research papers. She has a BA fron the University of Texas.

DURING A class discussion, MRS. DOROTHY ROSSON, junior English teacher, informs her students of the history of the English language. Mrs. Rosson has a BA from Hardin-Simmons University and a MA from the University of Texas.



MRS. MARY RAMSEY discusses the plot of Silas Marner with sophomore students. She holds a BA from Texas Woman's University.

MRS. MARY ANN KINCAID, junior English teacher, helps Mike Davidson to write a book report. Mrs. Kincaid has a BS from the University of Oklahoma.

MID-TERM EXAMS are graded by MISS CAROLYN PAYNE, sophomore English teacher and publications sponsor. Miss Payne has a BA from North Texas State.

TERM THEMES are discussed by MRS. HELEN ROBERTS, senior English teacher. Mrs. Roberts has a BA from Hardin-Simmons University.

MISS KATHERINE NORTHCUTT takes time to listen to an amusing remark from a civics student. Holding a BS from West Texas State and a MED from McMurry College, Miss Northcutt also teaches economics and supervises photography.

DEEP IN thought, V. V. SHEARBURN considers the answer of one of his world history students. Mr. Shearburn has a BS from Kansas State.

History, Language Classes

World Understanding Widened By Study of Customs, Pasts

As modern communications bring the people of the world in closer contact, the need for greater understanding becomes apparent. By learning the languages, customs, and history of other nations, a greater understanding between the people of the world can be acquired.

Using history's great lessons, the Social Studies Department teaches an understanding of today's problems.

Ancient culture and past living patterns are stressed in the world history where the student learns the importance of understanding the past. American history concentrates on a wide study of the foundation of America with emphasis on the United States Constitution and its leaders. Civics, a half-year course, presents a study of government and its principles. These three courses are required before graduation.

Texas history and economics are also offered to students who wish to study further in history and government.

Since many colleges are requiring two years of a foreign language for admission, the Language Department offers studies in Spanish and Latin to help students meet entrance demands.

Spanish courses enable students to learn more about the culture, language, and philosophy of Spanish-speaking people. First-year students work primarily on vocabulary and grammar in preparation for more advanced work during the second year.

A study of Latin also helps to build an English vocabulary. Latin has a structural relationship similar to that of English. During the two years of Latin, a reading vocabulary of approximately 3,000 words is acquired.

MRS. SUSANNA HILL guides second year Spanish students in repetition drills.

MRS. VESTA LIGHTFOOT, Latin instructor, listens to a translation from a student. She has a BA from Hardin-Simmons.

USING illustrations, MISS MARY JO SHERROD, first-year Spanish teacher, introduces a new dialogue to her class.

Science, Math Offer New Challenge

ROY BURK checks an answer from a biology student. Also a chemistry and physics teacher, Mr. Burk holds a MA from Texas A&M.

Today's progress in science and math provides a new challenge not only to students but also to teachers. The challenge makes a more extensive study and understanding of science and math essential.

The basic courses offered by the Math Department include commercial math, general math, Algebra I and II, and geometry. Advanced courses are available in geometry, algebra, and trigonometry. The adoption of modern math has made the various math courses a more difficult field of study.

The lab facilities provide for study of biology, chemistry, and physics on regular and advanced levels. The science teachers attempt to prepare their students for deeper study of science courses later in college.

ROY CARTER points to a chart as he explains a geometric theorem. Holding a BA from Hardin-Simmons University and a MA from Texas Tech, Mr. Carter also teaches driver's ed and coaches B-team football.

MRS. RITA CARTER teaches biology and advanced biology. She has a BA from Hardin-Simmons and a master's from Texas Tech.

OLLIE PEEK, algebra teacher, grades a notebook. Mr. Peek earned a BA from McMurry College and a MA from Hardin-Simmons University.

THE PRINCIPLES of figuring interest are discussed by BILL HARTSFIELD with his consumer's math class. Also teaching related math, he holds a BS from Howard Payne.

PLANT LIFE is explained by BOB COLE, biology teacher. Mr. Cole has a BS from Sul Ross.

USING GESTURES to illustrate a point, MISS VIRGINIA GROVE teaches the indirect method of reasoning to her geometry class. Also teaching trigonometry, she has a BA and a MA from East Texas State.

WRITING on the board, JAMES LITTLEPAGE teaches his algebra students to solve fractional equations. He holds a BA from McMurry.

TEACHING THE food value of a dollar, MISS VERA PERIMAN uses different brands of pears to illustrate her point. She has a BS from Texas Tech.

AS EMILY KINCAID watches, MRS. HELEN MARTIN, instructor of clothing classes, explains how to hem a dress. Mrs. Martin holds a BS from Texas Woman's University.

J. C. JACKSON, industrial-cooperative training teacher, dictates notes to his class. He has a BS from West Texas State University.

JON BRUCE, distributive education instructor, explains effective procedures of selling merchandise. He earned a MEd degree at Abilene Christian College.

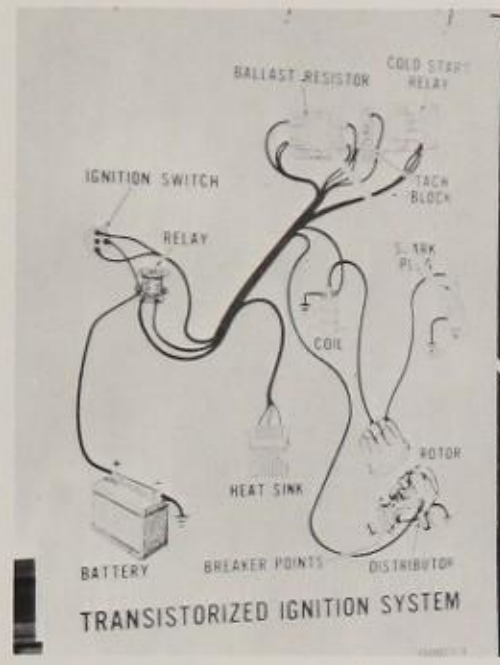
Vocational Areas Emphasize Manual Skills

Vocational classes emphasize training in manual skills for students both before and after graduation.

Homemaking teaches the management of time, energy, and money in the home. Instruction is also given on nutrition, child care, sewing, home improvement, home nursing, and personality development.

Students gain experience on the job by participating in the distributive education and industrial-cooperative training programs. They attend four classes and train during the afternoon in their choice occupation.

The various phases included in the art program are the study of pastels, charcoal, and oils. Art students are assigned a bulletin board in a classroom and are graded on their decoration of the board. Art classes also make stage props for presentations of the drama department.



TRANSISTORIZED IGNITION SYSTEM

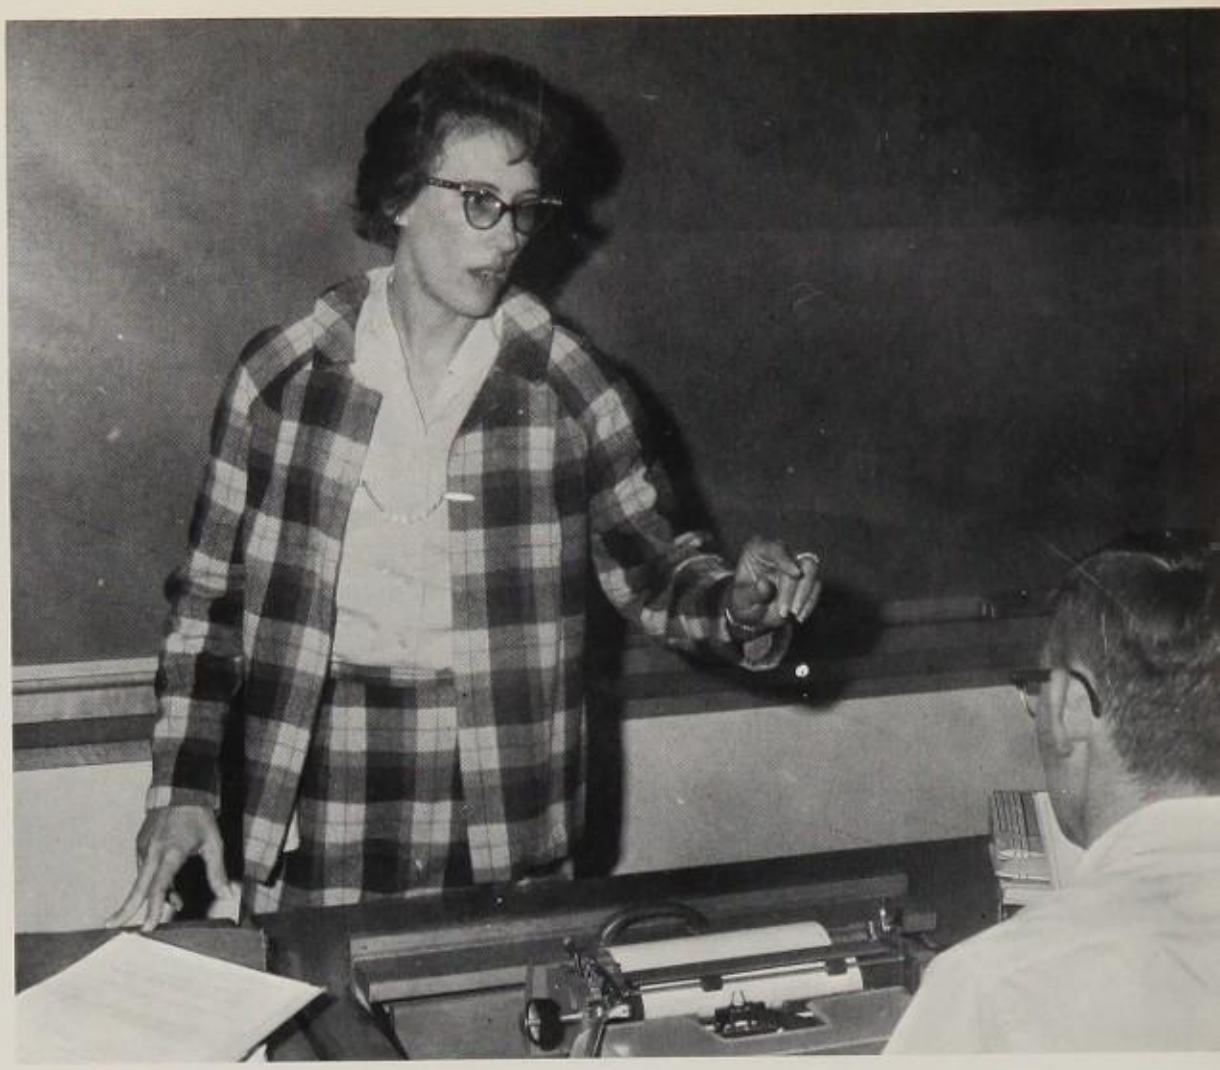
Tracing the flow of current through the ignition system, JACK CRAWFORD points out the various parts. Mr. Crawford has a BS and MA from Sul Ross.

INDUSTRIAL ARTS teacher RONALD FOY smiles at a student's remark. He holds BS and MEd degrees from North Texas State University.

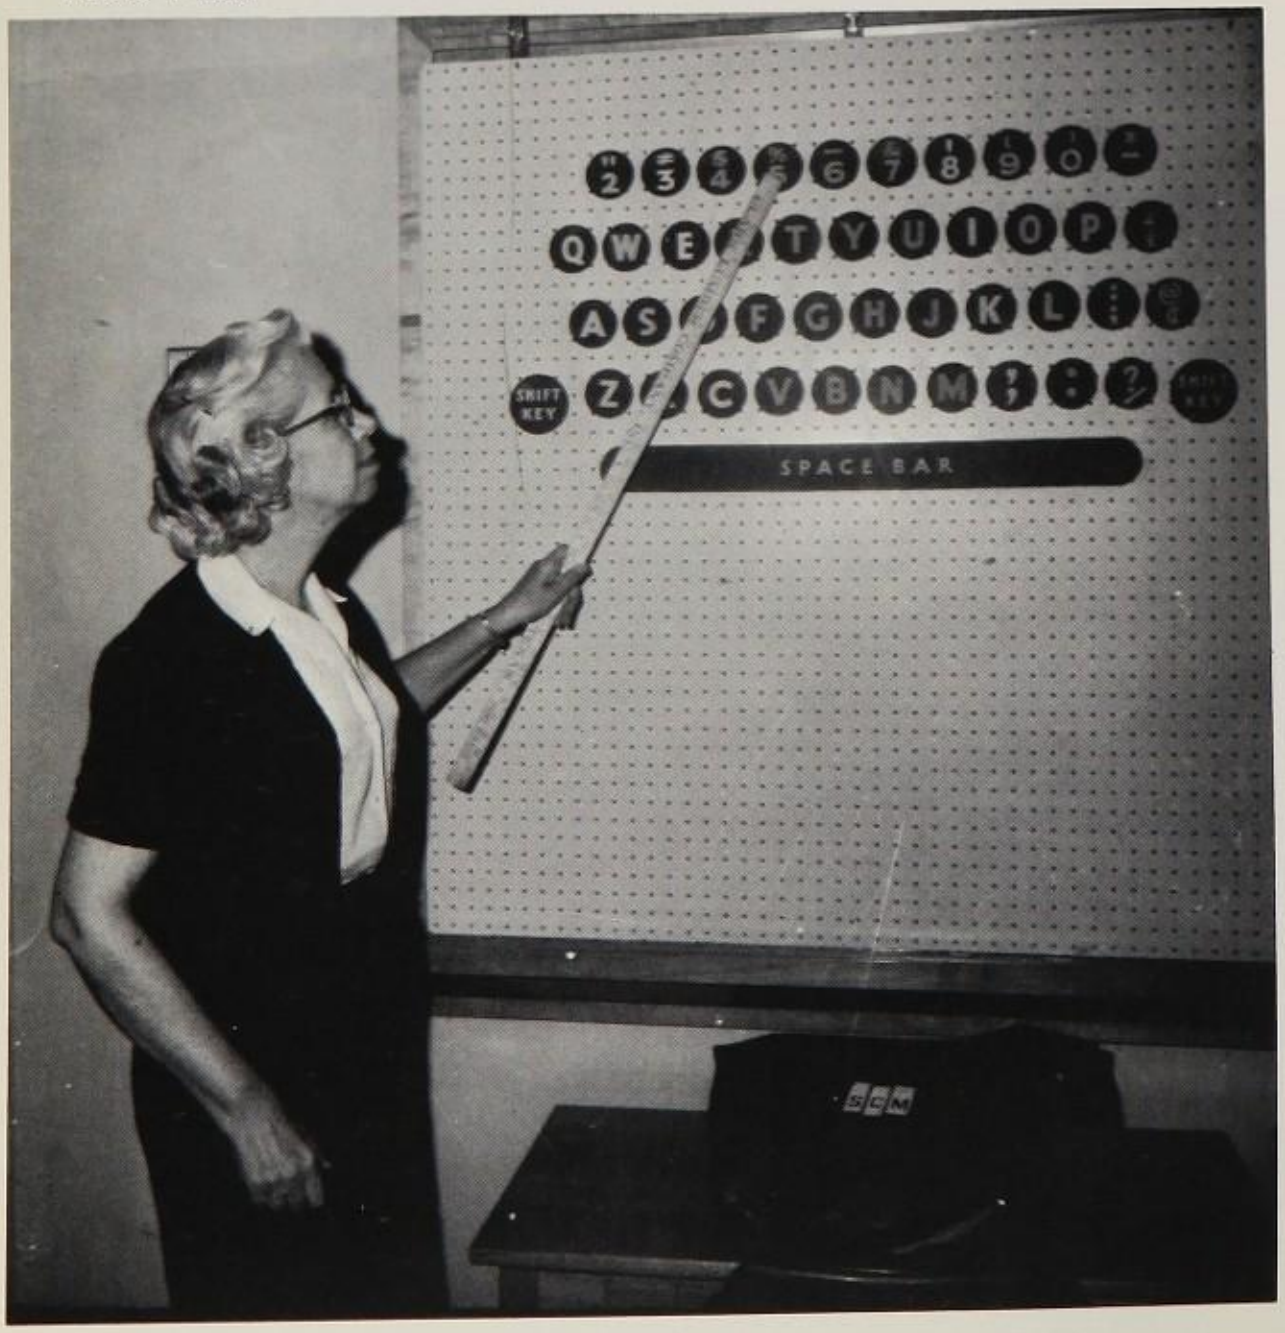
PARTS OF the wheat plant are explained by WILLIAM McMULLAN, vocational agriculture teacher. He has a BS and MS degrees from Texas Tech.

ART TEACHER MRS. LILLIAN JONES grades a student's sketch. Mrs. Jones has BS and MA

LETTERS ARE dictated to the shorthand class by MISS SHARON HENRICH. Also teaching typing, Miss Henrich has a bachelor of business administration from Texas Tech.



MRS. BETTY PRICE demonstrates the correct use of the typewriter in personal typing. Also a teacher of bookkeeping and notehand, Mrs. Price has a bachelor of business administration from Texas College of Arts and Industries.



MISS THELMA LESLIE demonstrates the finger positions on the typewriter. She holds a BS from McMurry College.

Business Classes Offer Background For Future Jobs

Through application of skills learned in bookkeeping, notehand, typing, and shorthand, students strive to prepare themselves for work in the future.

First year typing students learn machine operations and techniques of letter writing with emphasis on speed and accuracy. A review of letter forms, speed, and accuracy are re-emphasized by second year students.

Shorthand students are introduced to the Gregg shorthand system, reading proficiency, and elementary transcription. This course offers clerical practice.

Bookkeeping teaches principles and procedures applicable to all bookkeeping systems. Notehand enables a student to take notes accurately with speed.

In Reading, Communicating

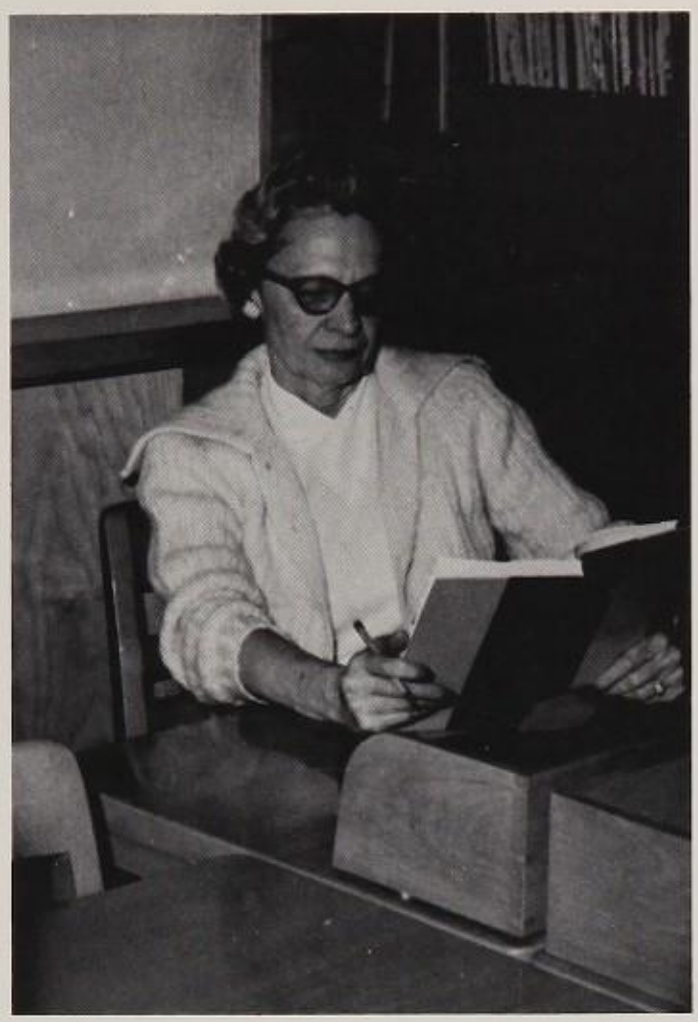
Three Departments Enrich Skills

Library, drama, and journalism enrich a student's life by offering many opportunities for experiences in literature and communications.

Journalism teaches a student to express himself better. Publications staff members write articles on student activities for the Tiger's Tale, the newspaper, and record the year's events in the Tiger's Lair, the yearbook.

Speech classes, too, work on developing students' communication skills. Through varied speech activities, students learn to organize facts so that they may convey information clearly and directly.

The library offers students opportunities for wide reading and research experiences. To find information more easily, students learn to use the Dewey Decimal system and reference materials. Student librarians become proficient in the management of the library.

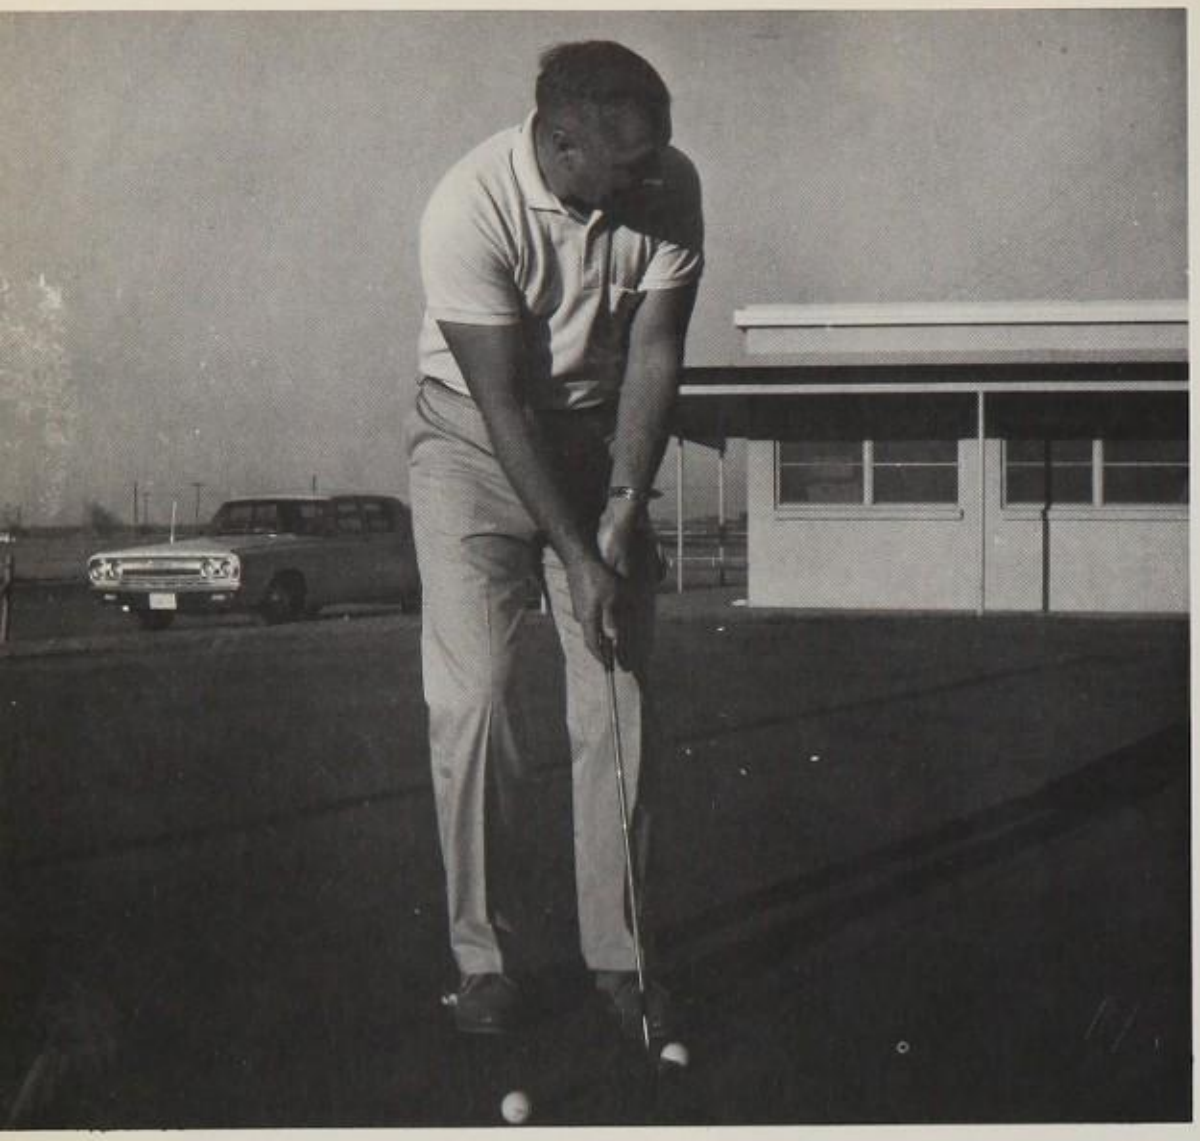


MRS. EVA NELSON browses through a new book added to the library. She holds a BS degree in library science from Texas Woman's University.

A LIST OF students owing library fines is typed by MRS. JOYCE GORMAN. She holds a BS from North Texas State University.

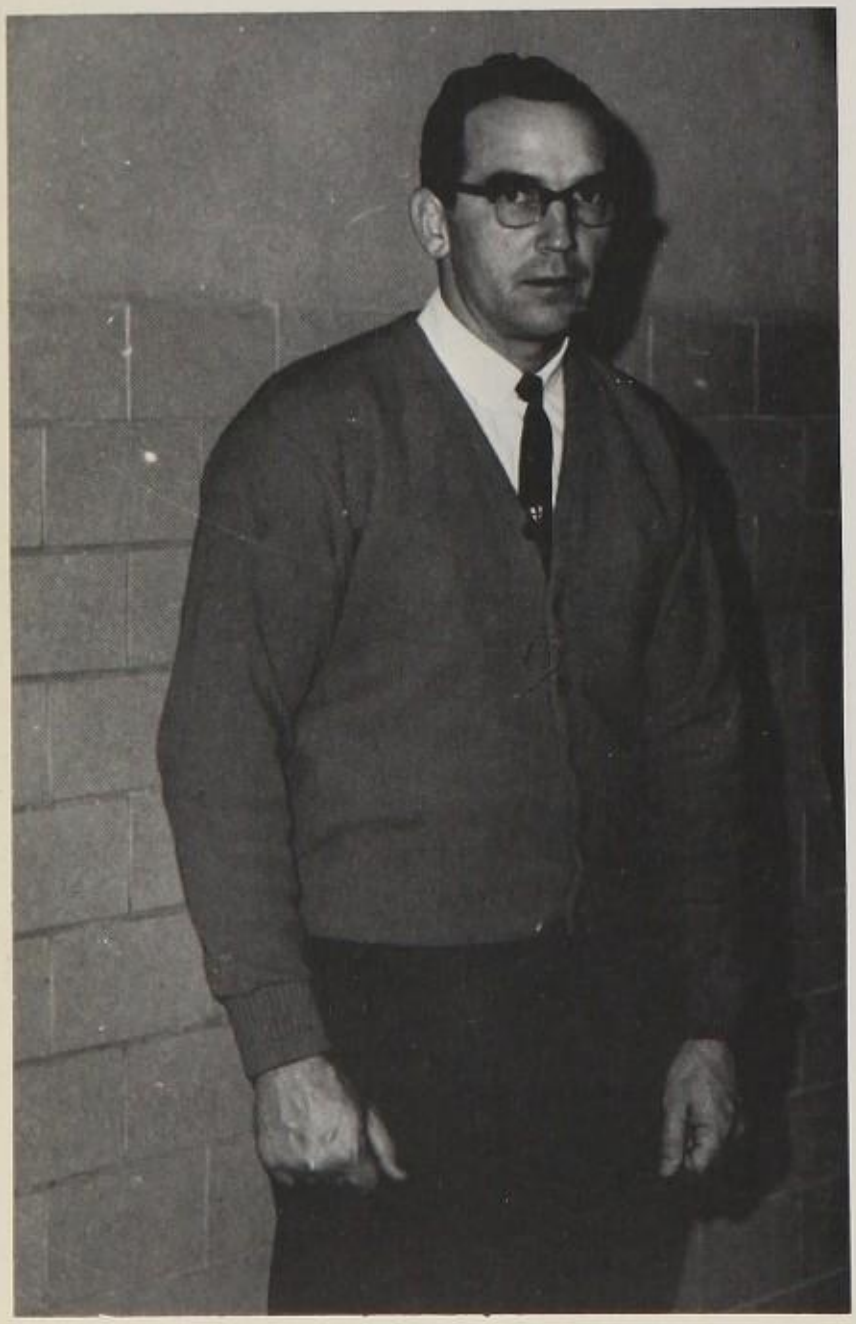
GERALD GAFFORD, speech instructor, instructs his students on the proper use of television equipment. He holds a BS from Abilene Christian College.

PREPARING to check triplicates for the yearbook, MISS CAROLYN PAYNE also sponsors the newspaper and edits the Spotlight. Teaching journalism and sophomore English, Miss Payne holds a BA from North Texas.

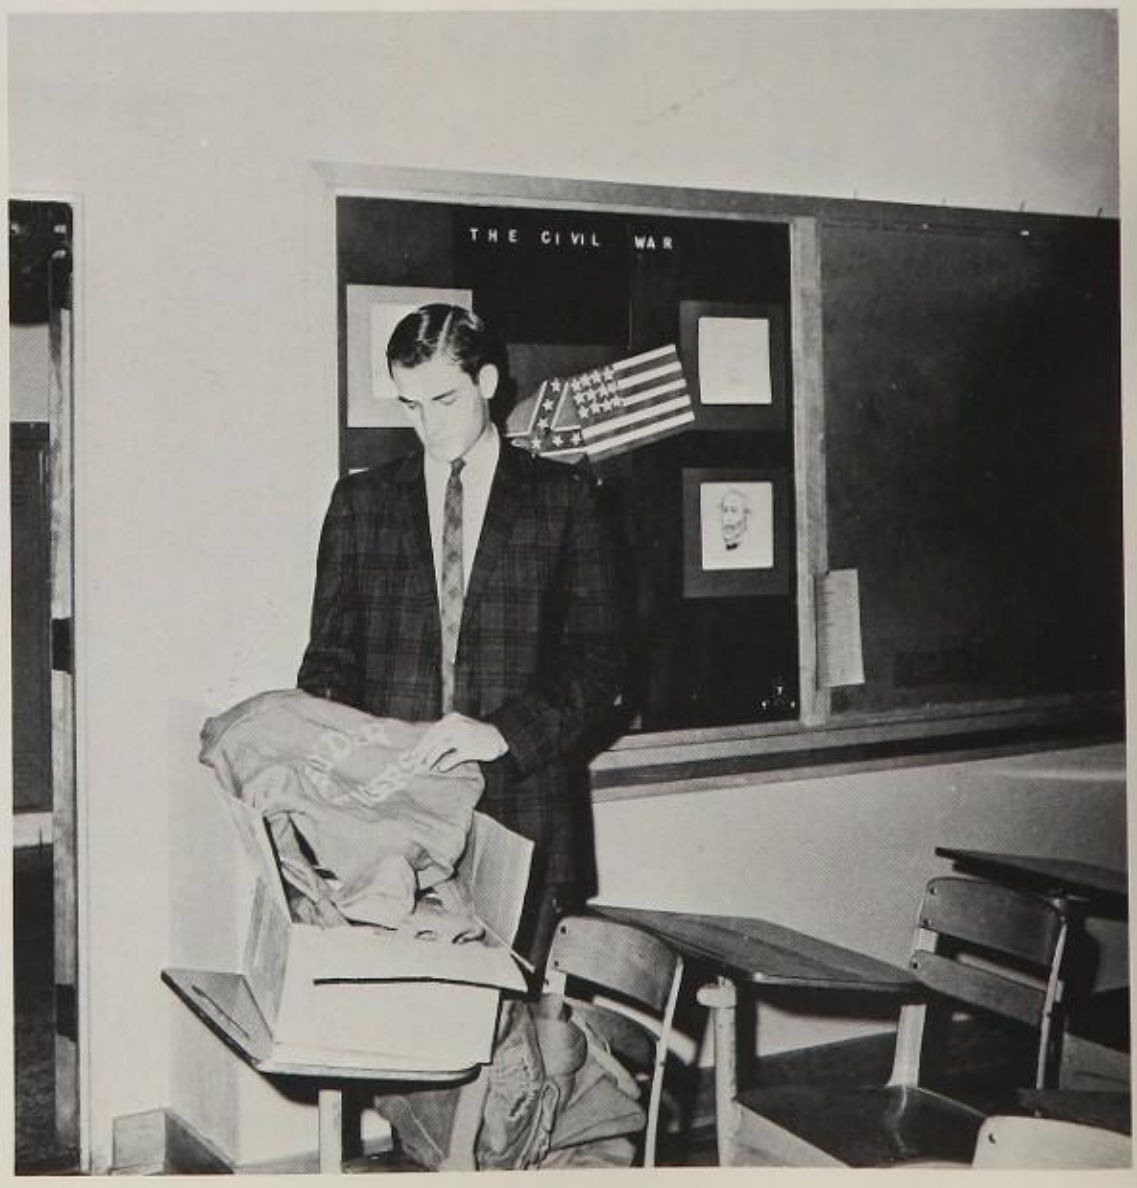


PRACTICING his putting, J. P. WARD demonstrates the proper form. He has ME and BS degrees from Hardin-Simmons University.

TROPHIES are rearranged by MRS. JANET WESSON, girls' physical education instructor. Mrs. Wesson holds a BS degree from Abilene Christian College.



ROY CARTER awaits the B-team football boys to show them a film. He holds a BA degree from Hardin-Simmons University and an MA degree from Texas Tech.



BEFORE TENNIS practice, KEN McALISTER admires the new tennis warm-up suits. He has a BA from Georgetown University.

Build Strong Minds, Bodies

Athletics Offer Valuable Experiences

"Down, set, hut" commands the Tiger quarterback as he begins a play in a gridiron contest.

Football and other sports offered, such as basketball, baseball, golf, track, and volleyball, give students valuable experience which will help them later in life.

The goals of the physical education teachers and the coaching staff are to develop the leadership ability of a student.

Participation in these sports enables a student to develop his body both mentally and physically. Sound bodies and sharp minds result.

These sports teach both students and fans sportsmanship. Meeting people from other schools is another advantage of being an athlete. Through the coaches' efforts, a student learns fair play and to appreciate the teamwork of others in a sport.

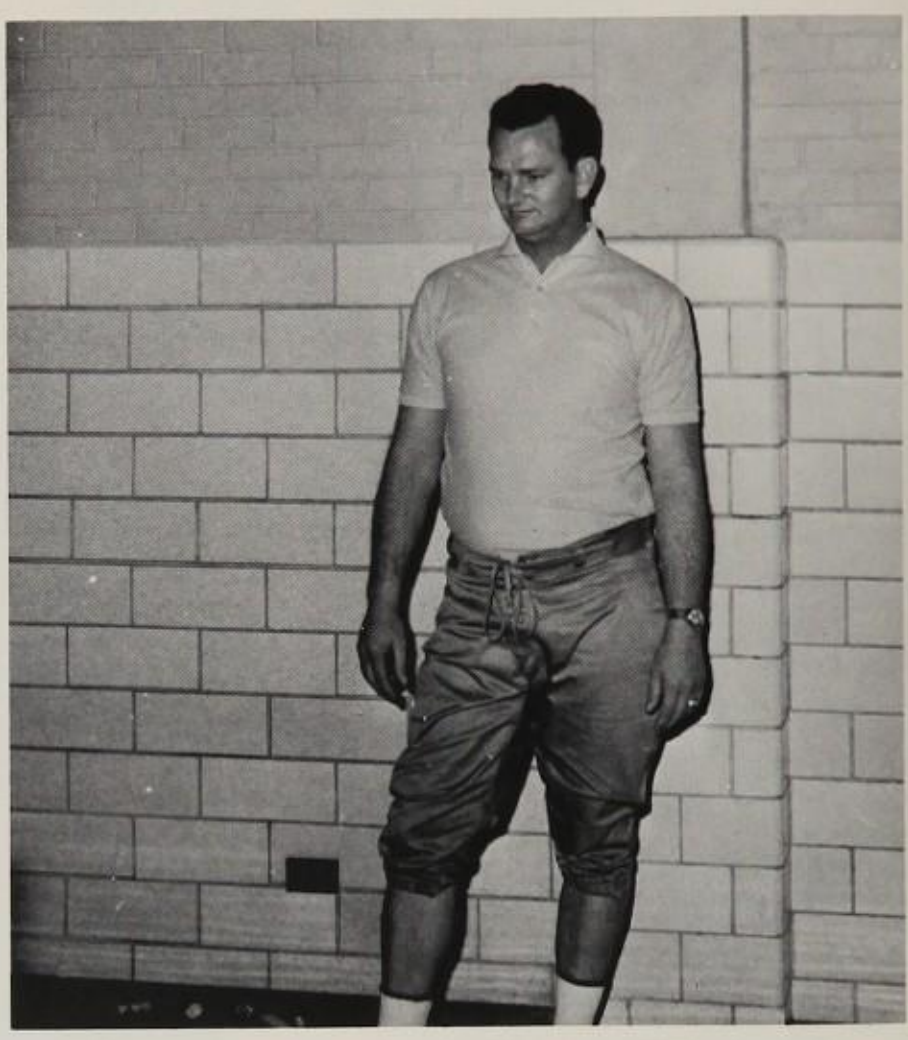
AFTER calling time out in the game against Lamesa, NED UNDERWOOD, basketball coach for the varsity squad, takes his seat. He holds BS and MA degrees from Texas Tech.

DURING BASEBALL work-out, JAMES MOFFETT discusses batting techniques with Roy Kizer. Mr. Moffett holds a BS from Texas Tech.

BILL HARTSFIELD watches the football B-team make yardage in the game against Lamesa. He has a BS degree from Howard Payne.

Four Men Coach Football Squad

CONFERRING WITH V. V. Shearburn, HORRACE BOSTICK discusses a play against the Sweetwater Mustangs. He holds a BS from Texas Christian University and a MEd at Hardin-Simmons University.



NEW HEAD football coach KEITH MILES discusses the coming year with the players. He has a BA from Hardin-Simmons University.

TIMING EXERCISES, V. V. SHEARBURN supervises a work-out for the track boys. Also football coach, Mr. Shearburn has a BS degree from Arkansas State and a MS degree from Kansas State.

JAMES STEHLEY, football backfield coach, encourages the Tigers on to victory over Andrews. Also track coach and boys' physical education teacher, he has a BS from Kansas and a MEd from Sul Ross.

MELVIN MONTGOMERY introduces a new song to the stage band. Director of the marching and stage bands, he holds BS and MA degrees from Sam Houston State Teachers College.

DURING band rehearsal, CHARLES SHAW, assistant band director, smiles at a humorous remark of a student. He holds a BS from McMurry.

Music Instructors Attempt to Teach Skill, Appreciation

By inducing the development of skill and appreciation for music, the Music Department greatly benefits the participating students.

Through the study and performance of both modern and classical selections, choir students gain a deeper knowledge and understanding of music. The choral department, which has always been awarded high honors, this year has a new director, Jim Casey.

Melvin Montgomery, assisted by Charles Shaw, directs the marching and stage bands. The high-ranking band also performs various types of music to familiarize students with the ancient art of music.

JIM CASEY indicates musical intervals for warm-up in choir. Choir and music theory teacher, Mr. Casey has a BMED from San Houston State.

Maintenance Crew Keeps Campus Clean

DUSTING AND keeping the offices are Clara Thompson and Rosa Walker.

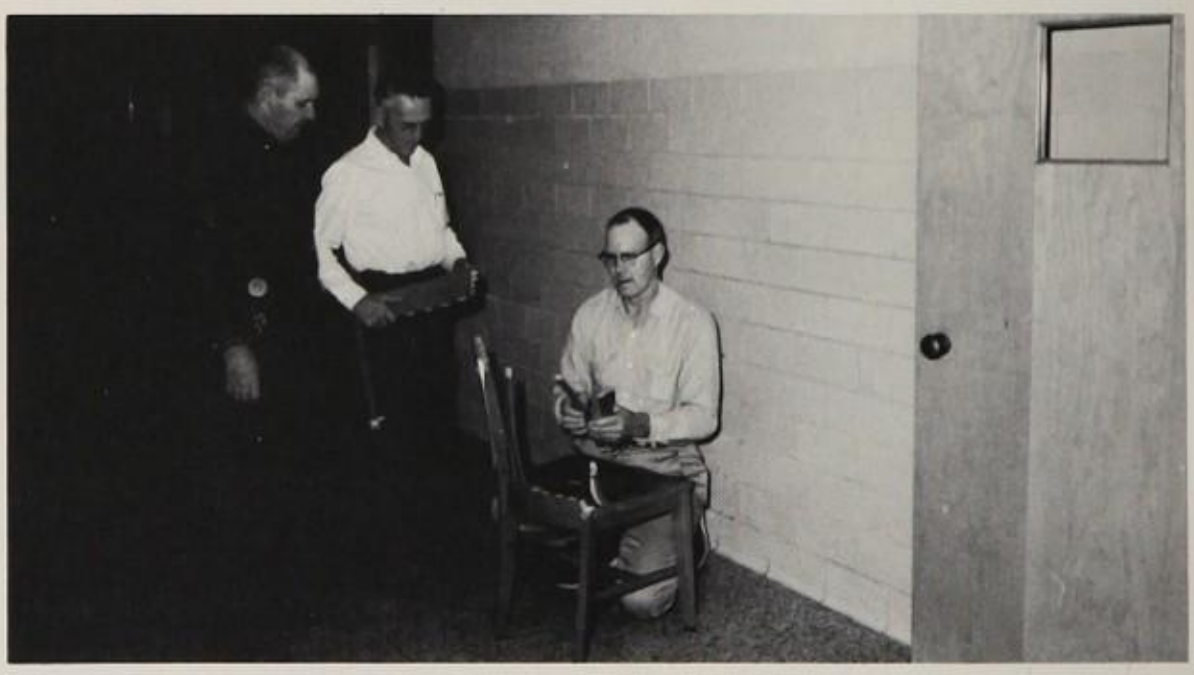
House cleaning for a large family is not as difficult as keeping the campus clean and attractive for 691 students. This is the task of the maintenance crew of two maids and three janitors.

Delivering textbooks to and from the rooms at the beginning and end of each year is the responsibility of the janitors. In addition to keeping the building clean, the maids are in charge of making coffee for the faculty.

The cafeteria worker's duty is to serve nutritious and appetizing meals to the high school student body and faculty.

Carl Kunkel, mail deliveryman, is responsible for the faculty's incoming and outgoing mail.

SCHOOL MAILMAN Carl Kunkel delivers the daily mail to the faculty.



MAINTENANCE crew members repairing a broken chair are Jake Huffman, Cannon Burditt, and Earnest Craig.

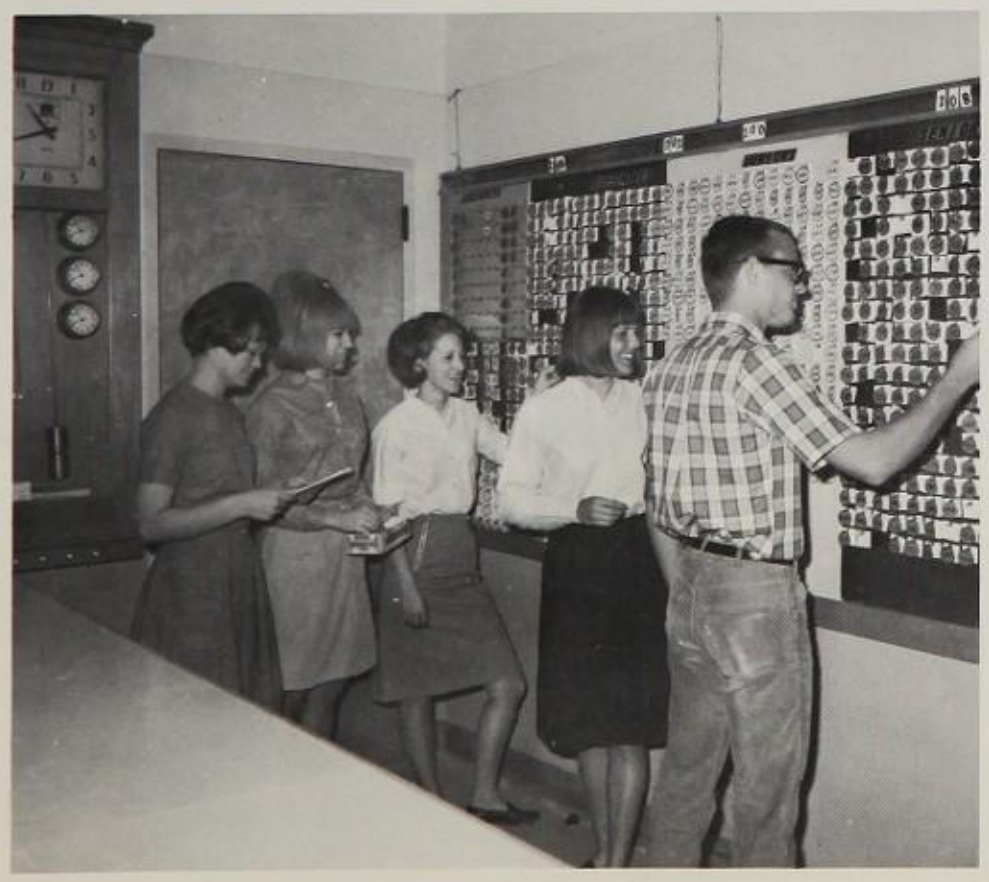
CAFETERIA workers are Zoe Horton, Albert Maddox, Babbara McClanahan, Joyce Smith, Texa Jones, and Veda Minor.

BILLY WEST, Bobby Birdwell, Linda Schattel, and Glenn Thomas distribute mail to the teachers' boxes.

OFFICE workers Barbara Crowell, Bobby Beard, and Lloyd Potts store materials in the supply room.

SUSAN BOREN, Phyllis Wolfe, Sammie Raines, and Lora Snyder file the rolls.

SUZANNE SHEARBURN, Barbara Ray, Ray Kizer, Donna Ward, and Ruth Alexander take time out from their first period duties.



LINDA DURHAM, Dottie Denson, Vanna Butler, Emily Kincaid, and Gordon Stokes pull the absentee tallies.

LINDA STARNES, Vicki Dean, Whitt Boren, Janis Amos, and Nan Martin are busy at various office duties.

Academic Life

BABIES are always interesting and the unit on infant care, demonstrated by Nurse Opal Robinson, proves to be so for Marsha Ainsworth and Fielda Wall.

INDUSTRIAL ARTS brought honors through Texas' Outstanding Teacher, Ronald Foy, and the national president, Fred Wiman.

"Brigadoon" directors Jim Casey, Mrs. Jane Womack, Mrs. Sue Parham, and Gerald Gafford view the action from the orchestra pit.

COACHING IS a never-ending job as Coaches James Moffett and Keith Miles talk shop with Horrace Bostick, assistant principal.

AT ONE TIME or another every student has stood before the desk of Mrs. Syvola Waller to discuss credits.

Paper, Ink, Candles Symbolize Efforts Of Academic Year

Reams and reams of notebook paper, gallons of ink, and hundreds of candles burned nightly at both ends... these are symbolic of a school year.

But these are only the outward signs of academic efforts. Not so easily seen are the clashing of tiny gears inside more than 700 brains as students grind out themes, math problems, and critical observations and teachers wear out countless red pens to correct and improve these outpourings. From these anguished and anxiously lamented efforts come the college students, bankers, teachers, and businessmen of tomorrow.

Often academic excellence brings honors and rewards to both teachers and students. The most frequently experienced reward is the satisfaction of having enjoyed a lesson and having done well the day's work. Sometimes people outside the school recognize the efforts... teachers are honored by various organizations, students are cited for academic achievements.

210 Seniors Receive Diplomas At Commencement Exercises

Graduation, the highlight of the senior year, finally became reality. Two hundred and ten students walked across the stage May 26 to receive their diplomas and start their journeys on new roads to the future.

Assorted activities through the senior year helped to make it their best year. Seniors presented a Hullabaloo Assembly for the student body April 13.

While other students went to regular classes, the seniors enjoyed Senior Day activities, including games in the park, a barbeque supper, a dance, and a movie.

As the school year came to a close, seniors receiving outstanding honors were recognized in the Awards Assembly. Receiving outstanding honors were senior favorites, Empress McFarland and Jimmy Hogan; Mr. and Miss SHS, Kay Pitner and Fred Wiman; valedictorian, Fred Wiman; and salutatorian, Janice Amos.

Leading the Senior Class were Jimmy Hogan, president; David Holt, vice-president; David Holt, vice-president; Empress McFarland, secretary; and Vicki Dean, reporter. The senior representatives to the Student Council were Jimmy, Empress, Vicki, Fern Buchanan, Debbie Ginby, Gery Perser, Anne Shelburne, and Billy West.

In Planning Prom

Bowden Guides Junior Class

With the Junior-Senior Banquet as their outstanding project for the year, 202 juniors elected Murry Bowden to be president; David Lester, vice-president; and Glenna England, secretary.

With the aid of 11 sponsors and eight Student Council representatives, the juniors hosted a memorable feast with an Old South theme.

The junior representatives to the Student Council were Murry Bowden, Vanna Butler, Glenna England, Joyce Greenway, Mike Kenner, Patsy Rainwater, Gordon Stokes, and Billy Wilson.

Preparations for their all-important senior year began with the ordering of the senior rings in May; the election of Murry as president of the 1966-67 student body, Billy Wilson, vice-president, and Emily Kincaid, secretary; and election of Sammie Raines, Patsy Rainwater, and Vanna Butler as senior cheerleaders.

To raise money for the banquet the juniors paid class dues each semester. In competition with the seniors, the juniors sold tickets to the junior-senior play, "Auntie Mame." The seniors sold the most tickets to get 60 per cent of the profit and the juniors, 40 per cent.

THE JUNIOR CLASS sponsors are James Littlepage, Mrs. Hazel Hanback, Mrs. Mary Faver, Roy Burk, Mrs. Lillian Jones, Miss Thelma Leslie, and Bob Cole.

Upperclassmen Welcome Sophs In Traditional October Initiation

Although the first day of school was August 31, sophomores "officially" were welcomed to high school by seniors and juniors with Sophomore Initiation in October. They were required to carry books, open doors, sing the alma mater, and perform other tasks assigned by the upperclassmen.

Their first year in high school sophomores carry a heavy load. Required to take biology, history, English, math, and physical education, the sophomores still find time to play a big part in extra-curricular activities along with their academic schedule.

To earn money to finance the 1968 Junior-Senior Banquet, the sophomores collected class dues and worked in the concession stands at the ballgames during football season.

Playing the role of leaders of 273 sophomores, three boys filled the positions of class officers. Mickey Almond was elected president; Jimmy Ramage, vice-president; and Max Moreland, secretary.

Ten students represented the sophomores in Student Council; Mickey Almond, Tommy Bullard, Kenneth Foree, Frankie Grimmett, Becky Jones, Sue Ellen Line, Kent Noble, Ronnie Shields, Cheril Stevenson, and Molly Walker.

SOPHOMORES Diana Alexander, Betsy Ashley, Pam Orr, and Barbara Aycock vote to elect class officers.

SOPHOMORE CLASS sponsors are Mrs. Susanna Hill, Mrs. Mary Ramsey, Mrs. Betty Price, J. M. Moffett, J. C. Jackson, and Jim Casey.

In Memory's Hall

Within the hall of memory
A new face there we see--
The quiet eyes, the same
sweet smile
Of one who used to be.

We gaze with love upon his
face
And softly speak his name;
For those of us who knew
him best
The world is not the same.

His face is etched upon
our hearts
With friendship's golden ink,
And from the earthly chain
of life
We've lost another link.

On fair Snyder's southern border,
Reared against the sky,
Proudly stands our alma mater
As the years go by.

Onward ever be our watchword,
Conquer and prevail.
Here's to thee our alma mater,
Snyder High, all hail.
